Water/Wastewater Service Tech Position Available

The Town of Ferdinand currently has a full-time position open in the Water & Wastewater Department for a self-motivated individual that wants to serve the public and help our great town grow. This person should hold a high school diploma or equivalent, possess and maintain a valid Indiana driver's license and be willing to obtain a Water/Wastewater Operator's License within 3 years of hire date. Interested candidates must be able to pass a pre-employment drug screen and background screening.

General Summary: Perform manual and technical skilled labor in maintenance and construction of water distribution, wastewater collection systems, and wastewater treatment plant. This position will be under the direct supervision of the Water/Wastewater Superintendent or Crew Chief assigned

Duties may include, but are not limited to:

- Performs skilled and unskilled work in maintenance and construction of the water distribution, sewer collection and wastewater treatment plant.
- Operate various types of town equipment
- Dig and back fill trenches, street cuts and other excavations
- Maintain the operations of fire hydrants, street valves, lift stations, and man holes
- Assist in the installation and repairs of water and sewer mains, water meters, services, valves, fire hydrants, and pumps.
- Respond to public complaints/inquiries as assigned, including on-site visits and inspections.
- Maintain and perform repairs to all equipment used.
- Ability to obtain a Class B CDL with tanker endorsement.
- Responsibility for the use of necessary personal protective equipment related to the current task.
-

Benefits:

- Medical, vision, dental and life insurance; 457(b) retirement plan; vacation; paid holidays; personal time; compensatory time & sick time.

Applications accepted until 4:30 PM on Wednesday, October 1, 2025.

Applications & Resumes may be turned in or sent to:
