### **Playground resurfacing 18<sup>th</sup> St Park**

Eric and the Town crew removed the old rubber tiles and prepped the surface. The tiles were loaded and sent to recycling. Adventure Turf will be applying the new surface beginning October 15. The surface will need to be stayed off of for 5-7 days Thanks to Eric for getting this onde!

### **18<sup>th</sup> projects**

New park benches have been installed. Need to have donor plaques made and installed.

New basketball goals will be se in place and the old goals will be sold as surplus

### **Old Town Lake**

Weed Wrangle will be held on November 8 from 9-12. Volunteers are needed. Pizza will be serve at St. Benedict's Brew after the event

A quote was approved to have Seger craft install a roof in the shelterhouse. Tammy had a suggestion to use spikes to keep the birds out. She will contact Seger to get their input and cost to see if this would be an option.

### **Trees**

The board approved the purchase of 24 trees from Green Thumb nursery for the amount of \$7,280. These will be delivered and unloaded by Green Thumb and planted by the Park Dept. This reflects the Park board desire to proactively plant trees to replace maturing trees throughout the parks. These will be delivered in late November. The Town will begin removing or cutting limbs of diseased or dangerous trees.

**Other items**

Dubois County Park will host a meeting on October 16 to begin planning for strategic planning.

Mike attended the kick off of the SS4A committee to look at biking and walking around Ferdinand.

The meeting was adjourned at 5:30 PM. Next meeting is October 12 at 4:30 at Ferdinand Town Hall
